Division Meet Information

- Friday night is the PRELIMINARIES. If you are in an individual event, you will swim that event on Friday night.
- You MUST finish in the top 12 in your individual event to swim that event on Saturday.
- If you are in the top 6, you will stay in the top 6 no matter what (except a DQ) on Saturday
- If you are in places 7-12, that is where you will remain on Saturday. You cannot move from 7-12 to the top six no matter what, you are locked into you heat and your possible places.
- Only "A" relays are scored. If you DQ on Friday, the A relay is DQ'd on Saturday as well. B and C relays will swim on Saturday even if they are DQ'd on Friday. Essentially, relays DON'T MATTER on Friday, except if the A team gets DQ'd.
- Swimmers in the top 6 will receive their medals during the next event on Saturday.
